

IMPORTANT DIRECTIONS FOR OVERFLOW PARKING:

1. If the Shul's parking lot has reached its capacity, please exit the lot and proceed to Rochelle Lane.

➔ Rochelle Lane is adjacent to the parking lot entrance/exit.
2. You must park only on the West and North sides of Rochelle Lane.

➔ You may not park on the East and South sides of Rochelle Lane, as it poses a **danger to the Rochelle Lane residents** because emergency vehicles cannot pass when cars are parked on both sides of the narrow street.
